AMENDMENT

Sir:

In response to the Office Action of October 7, 2002, please amend the above-captioned application as follows. For the convenience of the Examiner all claims in the application are reproduced:

In the Claims:

Please amend claims 1, 4, 7, 10-11, 13-14, 16, 39, 42, 45-49, 51-52, 54, and 56-57 as follows:

Please amend claim 1 as follows:

1. (Twice Amended) An imaging module comprising:
a circuit board;
an image sensor carried by said circuit board; and
at least one light source for illuminating at least part of a target area, wherein said at least one light source is mounted to said circuit board, whereby said circuit board carries both of said image sensor and said at least one light source.

3. (Last Amended June 26, 2002) The imaging module of claim 1, wherein said at least one light source includes an aiming light source and an illumination light source and wherein said at least one illumination light source and said at least one aiming light source are each mounted to said circuit board, whereby said circuit board carries each of said image sensor, said at least one illumination light source and said at least one aiming light source.
